

DENTAL FRACTOGRAPHY COURSE 2022

04 October - 06 October

PROGRAM

Hands-on Instructors: Scherrer SS, Lohbauer U, Belli R

Day 1: In-vitro Fractography

08:30-08:45	Welcome, general information	(SS, UL)
08:45-09:15	History, relevant standards and NIST Guide	(SS, UL)
09:15-09:45	Introduction of fracture mechanics, Part 1	(RB)
09:45-10:15	Live Demo: Fractographic equipment and viewing techniques, Part 1	(UL)
10:15- 10:30	COFFEE BREAK	
10:30-10:50	Hands-on 1: Hand loupes, stereomicroscopes	(all)
10:50-11:35	Live Demo: Fractographic equipment and viewing techniques, Part 2	(UL)
11:35-13:00	Fracture surface features, origins & flaw types	(SS, UL)
13:00-14:30	LUNCH BREAK	
14:30-15:00	Hands-on 2: Ceramic bend-bars	(all)
15:00-15:30	Mechanical properties and microstructure of dental ceramics	(UL)
15:30-15:45	COFFEE BREAK	
15:45-16:15	Introduction to Fracture Mechanics, Part 2	(RB)
16:15-17:00	Interactive: Clinical case presentations 1	(SS)

Day 2: In vivo Fractography

08:30-08:50	Data collection, systematic approach, cleaning procedure	(SS)
08:50-09:20	Interactive: Clinical case presentation 2	(SS)
09:20-10:00	Hands-on 3: Clinical cases	(all)
10:00-10:15	COFFEE BREAK	
10:15-10:50	The replica technique	(SS, UL)
10:50-11:30	Hands-on 4: Clinical case presentations 3 & replica chips	(RB)
11:30-12:00	How to organize a fractography paper	(RB)
12:00-13:00	Mechanical properties and microstructure of dental ceramics	(UL)
13:00-14:30	LUNCH BREAK	
14:30-15:00	Interactive: Composite clinical fractures	(all)
15:00-15:30	Hands-on 5: Clinical cases	(all)
15:30-15:50	COFFEE BREAK	
15:50-16:15	ADM-Guidance paper on fractography	(SS)
16:15-17:00	Hands-on 6: Clinical cases	(all)
20:00-23:00	SOCIAL DINNER	

Day 3: Research and Fractography

08:30- 09:30 **Invited talk:**

“Tooth-colored materials in clinical practice: Selection, use and error prevention”

Prof. Martin Rosentritt (University of Regensburg, Germany)

09:30-11:30 **Invited Workshop:**

“Testing restorative materials in the lab – what can we learn from clinical studies?”

Dr. Siegward Heintze (Ivoclar AG, Liechtenstein)

11:30-12:00 COFFEE BREAK

12:00-13:30 **Interactive cases, Hands-on, individual Q&A**

13:30-14:00 Closing remarks

14:00-15:00 LUNCH BREAK
